Meeting 3/28
1. What have you accomplished since last meeting?
2. Are there any obstacles in the way of reaching your goal?
3. What will you get done by the next meeting?

Mitali(Programmer) and Tanuja:
1. We found the best open source code that satisfies the most requirements possible so pushed it to Github
2. Not yet!
3. We are going to work on creating a simple design and architecture, making various design diagrams

Varshi(Programmer) and Prerana
1. We also found another open source code, but Mitali and Tanuja's was more pertinent to the project so we are going with it instead
2. Not yet!
3. We are going to write PHP unit tests for the open source code

Arpita(Programmer) and Maya:
1. We confirmed that the open source code Mitali and Tanuja found was applicable
2. Not yet!
3. We are going to work on writing feature files for the black box tests
